

My Jovian age: 3.5 yrs

Application—

**Landmarks&Turning Points&Beacons.**

Telling a story is actually very simple. Just think of each word as a drop of water constantly shifting its form into something else; river water. nettles. to be addicted is to be cut off from one's own guidance system. But isn't it strange to be in a position where one needs guidance in the first place?

Agitation/Friction—

hey i am trying to call you i am here but i don't know where to park  
plain mason jars of heritage beans and gravelly buckwheat groats; you play an  
instrument

A house on Jupiter looks like [as in sounds, smells, tastes, feels...] and is  
pictured below—
