

My Saturnian age: 1.41 yrs

Application—

Substitutes[Stead].

The essence of WSCP abuse of power is the belief that there's a God who's watching you, inwardly and out. This pattern (delusion of the Law of the Father) then exists materially and plastically, gets replicated in our institutions, relationships, and self-concept. The haunted house is a surveilled house.

Agitation/Friction—

a house overrun with animals; I ate standing up

A house on Saturn looks like [as in sounds, smells, tastes, feels...] and is pictured below—
